

POLICE OFFICERS OF SCOTTSDALE ASSOCIATION

To whom it may concern,

Police Officers of Scottsdale Association (POSA) is a membership-based organization that provides legal coverage and advocates for the rights of Scottsdale's Sworn Police Officers and staff. Those members also volunteer their time to POSA Outreach, a nonprofit 501c3 that gives back to the Scottsdale community.

We are preparing for our 8th annual charity golf tournament "How's My Driving?", benefiting POSA Outreach and our community programs. We are reaching out to see if your business would be interested in participating this year. We have many sponsorship levels, as well as four-somes available. Included are all of our sponsorship and registration documents. We also have a golf registration website at posagolf.com.

Every year, more than 1,200 at-risk youth in the Scottsdale area are served by POSA Outreach, through a variety of programs. In addition, thousands of Maricopa County residents are impacted by our members' participation in other public outreach events.

This year's "How's My Driving?" golf tournament will raise money to help fund our programs like the *Sirens & Sleigh Bells* holiday gift program, our participation in the *Covering The Bases* back-to-school event put on by the City of Scottsdale, and many other events. More information about our community outreach programs can be found at www.myposa.org.

Scottsdale's police officers and staff are hosting POSA Outreach's 8th annual "How's My Driving?" Golf Tournament at the beautiful Troon North Golf Club in Scottsdale, Arizona. The tournament will be held on Saturday, August 26th, 2023 on the Pinnacle Course. To add to the excitement, players can test their driving skills with our one-of-a-kind "How's My Driving?" golf cart obstacle course.

By participating, you can play one of Arizona's finest 18-hole golf courses and enjoy a silent auction and fabulous buffet lunch afterward. Proceeds raised will help run our youth-based community programs by POSA Outreach.

Best Regards,

Sienna Morgan
